Thermal Comfort Rating
-30°C
-22°F

Specially **designed for women** working in the general construction industry, this **8-inch** lace-up boot made in Canada, meets the highest industry standards. Among its many features are a durable outsole offering high levels of grip on wet ice, a waterproof membrane, an insulated upper, an ultra-resistant rubber bumper toe, and a comfortable, breathable insole. In addition to being lightweight and comfortable, the boot has been carefully designed to suit the female foot.

UPPER

- 1 Full-grain leather
- 2 AIRFLOW™ waterproof membrane
- 3 400g PRIMALOFT™ thermal insulation
- 4 Heel pad to keep the foot in place and to reduce chafing
- 5 Ultra-resistant TPU PARESHOK™ sewn bumper toe
- 6 Reflective laces

SOLE

- 7 VIBRAM® ARCTIC GRIP PRO™ rubber outsole for best grip on wet ice
- 8 Comfortable and breathable R-LITE™ footbed
- 9 Direct-attach PU midsole

PROTECTION FEATURES

- 10 Composite protective toecap
- 11 Non-metallic puncture-resistant insole
- 12 Protection against electrical hazards
